PROGRAMME HIGHLIGHTS

01

The test papers have been designed on similar lines to the UPSC.

02

The test series will help you to test the concepts, knowledge, and factual information as well as acquire the necessary skills to solve the question paper.

03

The number of tests in this series will be 65. The sub-categorization has been given below:

- ◉ SUB-SECTIONAL TESTS – 33
- ◉ CURRENT AFFAIRS – 7
- ◉ CSAT – 3
- ◉ SECTIONAL TESTS – 6
- ◉ MOCK TESTS – 16

04

The sub-sectional tests have been designed in such a way that they will cover the entire syllabus of each subject. The questions on each sub-topic will bring more depth to your preparation and will give a sense of completion of the subject. The test will consist of 50 questions each.

05

The sectional tests will help you analyze your overall performance in each subject. The questions in these tests will have a great mix of static along with current events associated with each subject. Each sectional test will be of 100 questions.

06

The current affairs tests will help in interlinking the current events with the static portion of the subject. The tests will contain 100 questions purely on current events.

07

The CSAT Tests are divided into three divisions having one test each on Reasoning, Quantitative Aptitude, and Reading Comprehension. The test will consist of 50 questions

08

The primary feature of the Mock Tests is that the tests are completely based on the UPSC pattern to give you a real-time environment of the examination and boost your preparation.

09

This programme holds a unique feature of test discussion of all the sub-sectional, sectional and current affairs tests.

10

The programme equips every aspirant with an opportunity to connect with our esteemed faculty through one-to-one discussion, doubt-clearing sessions and mentorship.

11

The programme is based on the 3-layer performance analysis which includes a test report, detailed analysis

FAQ

What is this Program all about?

- PRELIMS PRACTICE PROGRAMME is designed to achieve maximum score in prelims 2023 through speed and accuracy in solving mcqs which plays the most vital role in 2 hours of prelims examination.
- PRELIMS PRACTICE PROGRAMME will help in covering subjects from ncert to advance level on weekly basis which enhances the understanding of concepts and interconnectivity between them.
- Programme will help in organizing the preparation which is very important because due to late start and unorganized study aspirants lag behind and fail in prelims exam by 2-3 marks.
- This program is designed to help students in quick revision; otherwise, they may be lost in the vast ocean of data and information overload.

How is it different from other Test Series?

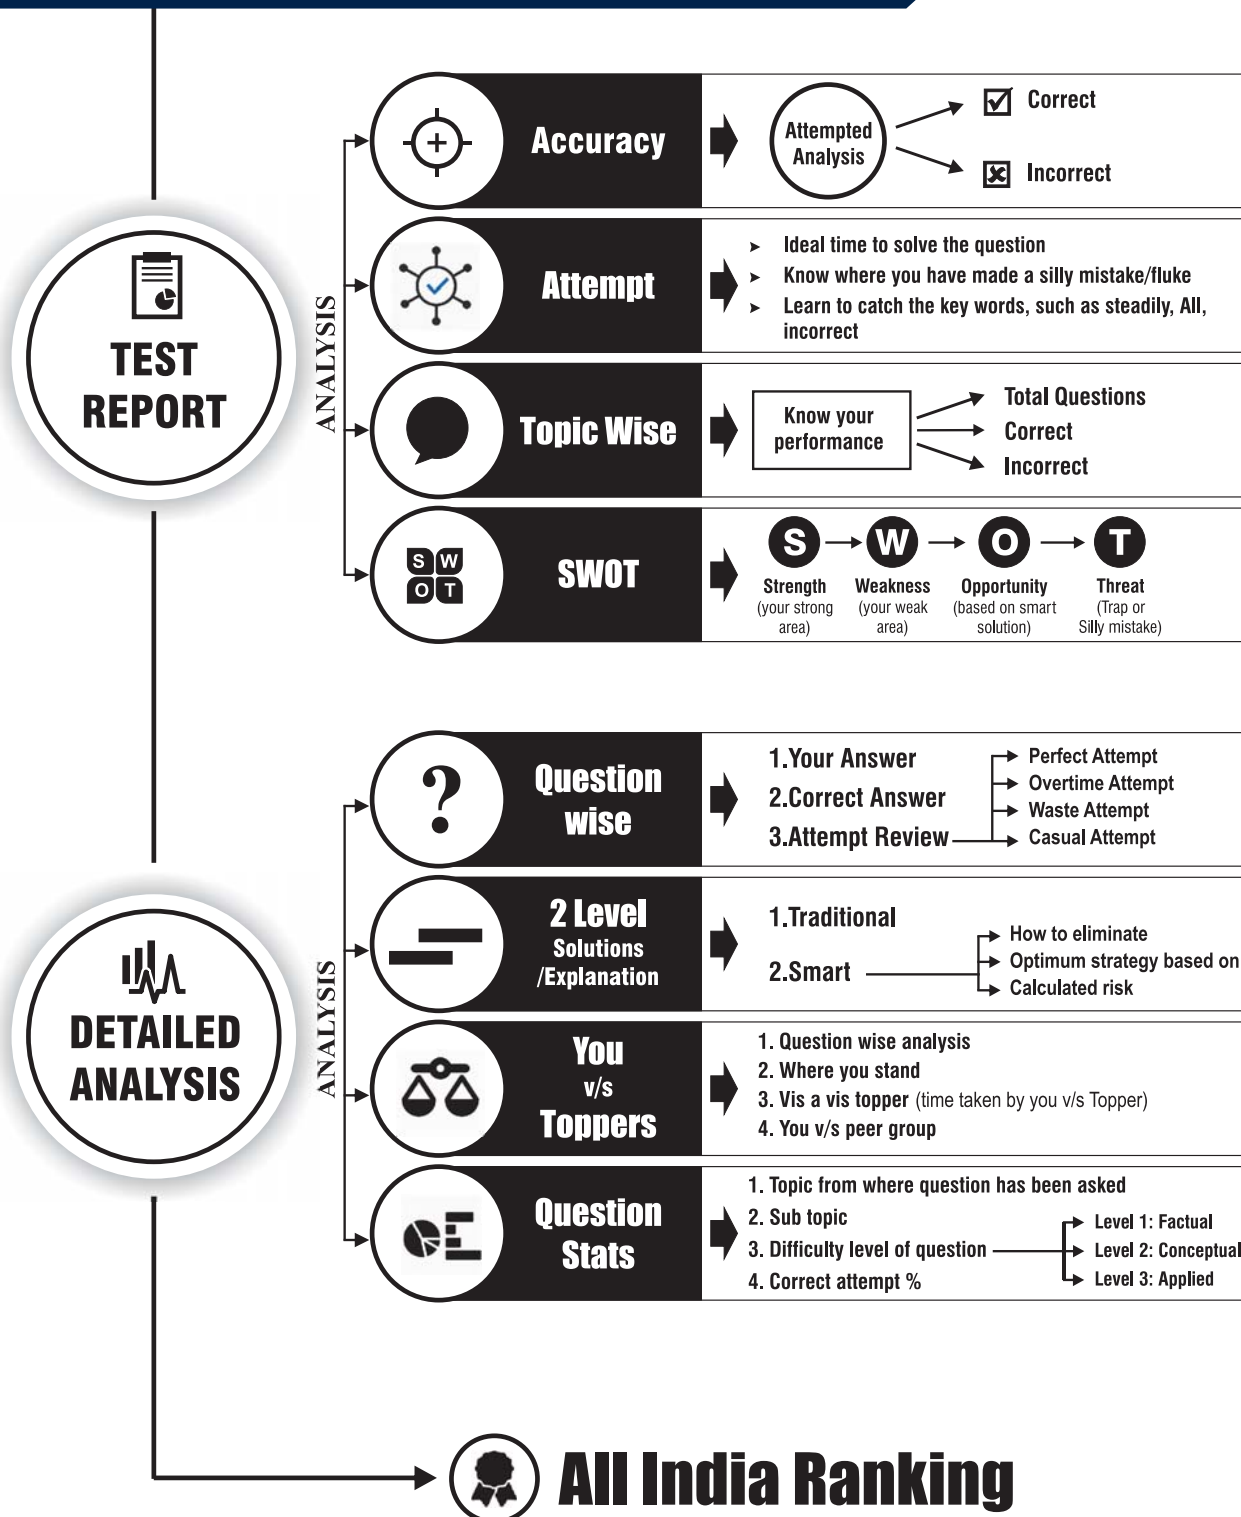

- Self-Study and regular REVISION is the key to Holistic Preparation.
- Our PRELIMS PRACTICE PROGRAMME will cover each subject in a holistic manner.
- Each subject will be covered rigorously.
- This will help students prepare each subject extensively as well as intensively.
- Programme will test one's knowledge and preparation for prelims rigorously.

How to use this Programme?

- Through our PRELIMS PRACTICE PROGRAMME students will solve 4500+ MCQs with detailed explanations.
- Detailed explanations will help in covering multiple dimensions of the topics in syllabus in stipulated time and full efficiency.
- Explanation with Smart solution will help in learning the art of elimination as it is not feasible for an aspirant to know everything under the sun. The art of eliminating options is the key to solve those questions where students lack sufficient information asked in the exam.

TEST SCORE ANALYSIS
